

Dear Athletic Directors and Coaches,

In regards to the Virginia Jr. High baseball tournament, please take some time to read the following:

The tournament will have a one hour and thirty minute time limit imposed on all tournament games, except for the championship game. If the time limit expires during an inning, that inning will be the last of the game. An inning will not be started after the time limit expires. If the score is tied after the time limit has expired and the inning is over, the rest of the game will be played in an extra inning format. For example, if the time limit expires in the 5<sup>th</sup> inning, the entire 5<sup>th</sup> inning will be finished. If the score is tied, the game will be played until a winner is decided. In this particular situation, there will be no time limit imposed. Also, the time will be stopped during a rain delay and restarted when the game resumes.

There will be a **\$100 entry fee** for each team. The check may be mailed in advance or brought to the tournament. Please make all checks payable to **Virginia Jr. High**. Also, we will start games early so make sure your team is at the diamond at least 30 minutes prior to game time.
