

Dear Parent or Guardian,

Our organization feels blessed to be able to help furnish warm clothing for children in our Virginia School District who are in need of these items. Last year, we bought for 100 children from age birth to 18. With the growing need we ask you, the parents/guardians, to prioritize what your child is in the most need of for winter time. We include socks and underwear for each child.

The Virginia Masonic Lodge last year, was able to purchase 60 new coats for this mission, but their funds just will not allow them to buy this many. Please **only** check the coat section if indeed your child is in need for a new coat this year.

All names are kept confidential.

Please return the filled-out form to the Virginia United Methodist Church office at 401 East Broadway Street by **November 1, 2024**. This is the final deadline.

Parents may pick up gifts on **Thursday, December 19, 2024** from **1:00 p.m. to 3:00 p.m.** at the Virginia United Methodist Church, 401 East Broadway Street.
