## **Important Information for the 2023 – 2024 School Year**

**Your student will be entering their Senior Year! Please note documentation of the following is required by the State of Illinois. We are hopeful that during summer break you will have an opportunity to get this completed, if needed. Immunization requirements are due at the start of the school year and must be submitted no later than October 15<sup>th</sup> of the school year.**

**\* Immunizations – The student’s medical provider will inform you of the immunizations required and fill out the “Certificate of Child Health” form. This will need to be signed and dated by the provider and submitted no later than October 15<sup>th</sup>.**

**\*\*\*Please note: A physical exam completed on the “Certificate of Child Health” form may be used as a sports physical.**

**If you have any questions or concerns, please call me at (217) 452-3085, or e-mail me at [eayres@virginia64.com](mailto:eayres@virginia64.com).**

**We look forward to seeing your Senior in August! Thank you for your help in meeting the State requirements!**
